

Prenatal Checklist

- 4-8 weeks prior to expected delivery date (around 7 months) – Set up a time for private prenatal classes, infant CPR and a tour of the Women’s Healthcare Unit. (This all does not have to be completed in one appointment.)
- Contact Pediatric Provider - Make sure your current pediatrician is accepting new patients.
- 2-3 weeks prior to expected delivery date – schedule an appointment for preadmission interview & tour of OB Department.

Preadmission interviews can be done at any time.

Interviews & tours are by appointment only.
